Subject: NOTIFICATION OF ACCESS ONTO FORMER NAVY PROPERTY

Dear Andrea:

This letter is being sent to you in accordance with the deed that was signed on 11 September 1998 between the Department of Navy and the Town of Riverhead, to inform you of the Navy's intent to access property formerly owned by the Department of Navy and conveyed to the Town of Riverhead. The property in question is a parcel of land located along Connecticut Avenue that was part of the former Naval Weapons Industrial Reserve Plant (NWIRP) Calverton.

As explained in earlier telephone conversations, the work to be conducted on this parcel of land will be the installation of three temporary monitoring wells designated on the accompanying figure as SA-PZ101S,I,D; SA-PZ102S,I,D and; SA-PZ103S,I,D. The Navy is conducting this work as per an agreement made with the New York State Department of Environmental Conservation (NYSDEC) to assess the quality of groundwater in this area. Work is scheduled to begin during the week of June 5, 2000.

If you have any questions or would like to discuss this issue further, please give me a call at (610) 595-0567, extension 163 or my environmental Counsel, Mr. Ralph Lombardo at (610) 595-0606.

Sincerely,

JAMES L. COLTER
Remedial Project Manager

Commanding Officer
